

## Volunteer – Platform Project

### About Ummeed:

India has millions of children with developmental disabilities, and the access to and availability of therapists and developmental pediatricians is very low. Ummeed is one of India's premier non-profit organizations providing family-centered care to children with developmental disabilities and their families. We believe that all children with developmental disabilities can be included in society and reach their maximum potential, if given the chance. As an organization with a workforce of over 90 committed professionals, Ummeed's transdisciplinary approach works towards:

- Helping children with developmental disabilities
- Building a network of trained professionals and community workers who can prevent, diagnose, and manage developmental disabilities effectively

The team at Ummeed is a diverse group of highly passionate, motivated and talented individuals. Ummeed offers its team members opportunities to grow professionally and personally, inculcating and reflecting a strong culture of supervision and mentorship and the space for continued learning.

### About “the position” at Ummeed:
